EDUCATION

BACHELOR'S DEGREE IN COMPUTER SCIENCE

National Open University Of Nigeria

2020

SKILLS

- Programming Languages: JavaScript, TypeScript
- Frameworks/Libraries: React, Next.js, Redux Toolkit
- Markup/Styling: HTML, CSS, Tailwind CSS
- Version Control: Git & GitHub
- Problem Solving
- Collaboration and Teamwork
- Strong Communication Skills

LANGUAGES

English fluently .

SUMMARY

I am a front-end developer with 4 years of experience in developing and maintaining web applications. Proven ability to work independently and as part of a team to deliver high-quality products. Strong skills in React, JavaScript, Tailwind, Next.js, TypeScript, CSS, and Redux Toolkit.

WORK EXPERIENCE

FRONTEND DEVELOPER

BeautySpace NG

Feb 2021 - Present

- Collaborated closely with designers to translate brand guidelines into consistent UI components.
- Redesigned key pages, such as the landing page, booking, user dashboard and every other page, to align with the new brand image.
- Successfully migrated the existing React codebase to Next.js, leveraging server-side rendering (SSR) for improved performance.
- Implemented dynamic routing and optimized page loading times.
- Ensured seamless transition for users while maintaining feature parity.
- Leveraged Tailwind CSS for efficient styling and maintained a consistent design system.
- Collaborated with backend engineers to integrate APIs and ensure data consistency.
- Utilized Redux Toolkit for state management, ensuring a predictable and maintainable data flow.
- Actively participated in code reviews, providing valuable feedback to fellow developers.

WORK EXPERIENCE

FRONTEND DEVELOPER INTERN

Ojuolape Farm Nig Limited

Jan 2020 - June 2020

- Assisted in front-end development tasks using React & JavaScript
- Contributed to the redesign of the company website, improving the visual appeal of the dashboard.
- Worked closely with the development team to implement new features and functionality to the user dashboard.
- Leveraged tools like Google Lighthouse to identify bottlenecks and improve page speed.

FRONTEND DEVELOPER INTERN

Side Hustle Internship

July 2020 - Dec 2020

- Engaged in daily stand-ups and code reviews with senior developers.
- Assisted in implementing complex features under their guidance.
- Learned industry best practices, coding conventions, and architectural patterns.
- Played an active role in identifying and resolving software defects.
- Ensured application stability by addressing critical issues promptly.
- Proficiently used Git for version control and collaborated on shared repositories.
- Participated in pair programming sessions to enhance coding skills.
- Contributed to team discussions and brainstorming sessions.
